David Quan & Ashley Pasquan

1504 W Grand Ave
Ugly is the new pretty. "Gimmie Head" was a small book project I did about 10 years ago where I drew a bunch of bodies in a sketchbook and had people draw heads on them. This show is nothing like that, it's quite the opposite, it's just a bunch of new paintings of all sorts of crazy heads without bodies. Beautiful, ugly and smelly heads of people you think you might know or wish you knew. There will be rare mini-comics and drawings available from and not from my non-award winning comic: Magical Moments. Also on display will be the dress designs of Ashley Pasquan. Always cute, always classy, a little flirty, a little sassy. Come check out what she has been working on, she's been as busy as a little chipmunk in a nuthouse.
